PROFILE

My name is Wyatt Contreras, Multimedia Producer

I work with multimedia material such as: video editing, images, illustrations, starting with 2D animation, (from vectors and drawings) audio editing, I have basic knowledge in html and css, as well as Digital Marketing, Flyer design for advertising, I am organized with my work and my time, I really like learning new languages, currently English and Swedish, motivated to learn every day, to improve my profile.

With this letter I hope I have caught your attention, send me an email if you are interested in my work

Best regards.
